Important Information

This offer is available for customers looking to move their principal Private Dwelling House (PDH) mortgage from their current lender to Haven without moving property. The Switcher offer will be applied to all eligible Switcher Mortgages where mortgage drawdown has occurred from the 1st June 2016. The payment will be made within 2 months of mortgage drawdown

Switching is available for all PDH mortgage holders in Ireland who have a mortgage with any other Mortgage provider and meet Haven's lending criteria. We will require that your mortgage repayments are not in arrears, also that your mortgage is not in negative equity - this is when the balance of your current mortgage is greater than the current market value.

If you have a tracker mortgage with another mortgage provider, switching your mortgage to Haven means you will lose your existing tracker rate. We recommend you seek independent financial advice before deciding to switch your mortgage.

Customers cannot avail of both the €3,000 Switcher Offer and the Haven €5,000 Cashback offer.
