1 General - please read this document carefully before signing

- > I/We hereby apply to Haven Mortgages Limited ('Haven') for a loan secured by a first legal mortgage on the property described in the application to Haven.

Warning: Your home is at risk if you do not keep up payments on a mortgage or any other loan secured on it.

Warning: If you do not meet the repayments on your credit agreement, your account will go into arrears. This may affect your credit rating, which may limit your ability to access credit in the future.

Please be advised that if you do not repay the Mortgage Loan when due then you will be in breach of the terms and conditions of your mortgage and Haven will take the appropriate steps to recover the amount due. This could mean that Haven will commence legal proceedings seeking an order for possession against you, which will affect your credit rating and limit your ability to access credit in the future.

2 How we use your information at Haven

For information in relation to how we collect personal information about you, how we use it and how you can interact with us about it, see our data protection notice on our website at www.havenmortgages.ie/dataprotection or available from an appointed Retail Intermediary. It may change from time to time.

NOTICE: Under the Credit Reporting Act 2013 lenders are required to provide personal and credit information for credit applications and credit agreements of €500 and above to the Central Credit Register. This information will be held on the Central Credit Register and may be used by other lenders when making decisions on your credit applications and credit agreements.

The Central Credit Register is maintained and operated by the Central Bank of Ireland. For information on your rights and duties under the Credit Reporting Act 2013 please refer to the factsheet prepared by the Central Bank of Ireland. This factsheet is available on www.centralcreditregister.ie. Copies can also be obtained at www.havenmortgages.ie

3 Credit Checks

We will use the information you have given us to search and to share information with credit reference bodies, such as the Central Credit Register, to help with applications for credit and for ongoing credit review. The credit reference bodies will hold this information on a database and it may be accessed by other financial institutions.

4 Transfer of Mortgages - (securitisation)

Your attention is drawn to the possibility that Haven, in common with many other mortgage lenders worldwide, may decide to securitise some of its mortgages. Financial Institutions are limited in the amount they can lend by the level of their capital and, in order to release capital to capitalise future lendings, including mortgage lending, mortgages may be transferred to investors. This practice is known as securitisation. Relevant investors include the world's major financial institutions. In practice, you should not be aware of any effect from securitisation because Haven will continue to deal in all matters relating to your mortgage, including the setting of interest rates and the handling of arrears, subject to the powers and discretion of the transferee under such a scheme. If your application is approved, you will have the benefit of your solicitor's advice on the matter, before committing yourself to the mortgage.

Haven will disclose your personal data and any information held by Haven in relation to your mortgage to the Transferee or their representatives, or to any person proposing to participate in or promote or underwrite or manage a Transfer or to every person to whom Haven or the Transferee is contractually or legally obliged to make such a disclosure (which may include the disclosure of personal data in relation to the Customer outside the European Economic Area where the level of data protection may not be as high as in Ireland).

5 Fees and Charges

Valuation Report

A valuation of the property must be carried out by a valuer on our panel of valuers prior to loan approval. This valuation will cost you €150 which will be refunded to you if your loan application is unsuccessful.

If the valuation of the property is undertaken more than four months before the requested date of drawdown of the loan or of the final stage payment, a re-valuation will be required which will cost you €65. If the conditions of your loan require a final valuation following completion of the building of the property, renovations or repairs to it, this will cost you €65.

Variable Rate Loans

A variable rate loan is where the interest rate applied to your loan can go up or down during the lifetime of your loan. A variable rate can change from what is noted on your loan offer to what the current variable rate is upon drawdown. If you repay a variable rate loan early, there is no early redemption charge.

Warning: The payment rates on this housing loan may be adjusted by the lender from time to time.

Fixed Rate Loans

A fixed rate loan guarantees a specific rate on your loan for a specific period of time

Important - In the event of there being a change in interest rates before you drawdown your loan Haven will apply the fixed rate available at the time of drawdown. If there is no other fixed rate available the variable rate then prevailing will apply. Haven cannot inform customers individually of changes to interest rates prior to the date of drawdown.

Fixed Rate Loans Warning: You may have to pay charges if you pay off a fixed-rate loan early.

I/We understand that an early breakage charge maybe payable in the following cases where the fixed rate period has not expired:

1. If a capital payment or full repayment is made to the loan, or;
2. If the loan is converted to a variable interest rate, or
3. If the loan is converted to another fixed interest rate.

Calculation of Early Breakage Charge

The formula to calculate the early breakage cost is: $(A) \times (U) \times (D\%) = \text{early breakage cost}$

Definition of Terms used in this formula

(A) amount - The amount being repaid early or the amount being converted to a variable rate or another fixed rate period.

original cost of funds - The cost of funds for Haven for the fixed rate period at the time the fixed rate period commenced.

cost of funds for the fixed rate period remaining - The cost of funds used will be as of 5pm the day previous to the request to calculate the early breakage charge.

(U) remaining term in days - Remaining number of days left before the fixed rate is due to expire.

(D%) difference in cost of funds - The difference between the original cost of funds and the cost of funds for the fixed rate period remaining.

Worked Example:

Assume a 5 year fixed rate loan. Full repayment of €100,000 after 3 years (A); remaining term 2 (U); difference in cost of funds 2% (D).

The early breakage charge would be as follows: $(A) 100,000 \times (U) 2 \times (D) 2\% = €4,000$

At the end of a fixed interest rate period, the interest rate on your loan will default to the standard variable interest rate then offered by Haven at that time unless you choose an alternative interest rate, if on offer by Haven to you at that time. Our standard variable interest rate is a variable interest rate. If the interest rate on your loan defaults or otherwise converts to a variable interest rate then offered by Haven, your interest rate and the amount of your instalments could increase or decrease during the term of your loan and your interest rate could be higher than the fixed interest rate that applied during any fixed interest rate period.

Other Charges

Any other 3rd party fees that may arise in the processing of your application will be incurred by the application(s).

6 Client signature/authorisation/declaration

By signing below I/we give and make the agreements, declarations, acknowledgements and authorisations in sections 1-6 (inclusive).
